

MOBILE COUNTY LICENSE COMMISSION

NICK MATRANGA, LICENSE COMMISSIONER

Greetings Mobile County Taxpayers:

License Commissioner Nick Matranga, Deputy License Commissioner Adam Bourne, and the administration at the License Commission are working diligently to ensure the safety of all taxpayers and employees during this time of uncertainty. After closely monitoring the recommendations of the CDC, and other agencies, it has been determined that closing all lobbies at this time is the safest solution.

Certain types of transactions will continue to be processed. You can still **renew** your tag by mail, online and by phone. If you **purchased** a vehicle from an Alabama dealer, you can process that online clicking on the "register a vehicle purchased from a dealership" button. You can always obtain additional information by visiting the information tab on the website. We will continue to answer questions by email.

Please see the next page with additional information released by Alabama Department of Revenue concerning penalties associated with registrations of vehicles for the month of March 2020.

Sales Tax filings and payments can be made via the Alabama MAT website, <https://myalabamataxes.alabama.gov>, or through mail.

Business License applications can be sent via mail or faxed to 251-574-8103. Applications can be found on our website. Please make sure the application is filled out in its entirety.

You may contact the sales tax and business license department with questions at salestaxdept@mobilecountylc.com.

The news surrounding COVID-19 is constantly changing and we will continue to update and adjust as needed. At the License Commissioner's Office, our mission is to provide you with outstanding and efficient customer service every day.

Sincerely,

A handwritten signature in blue ink, appearing to read "Nick Matranga".
